

Certificate of Sustainability

This is to certify that

Loft Boarding Nw

has demonstrated its commitment to reducing its carbon footprint by enrolling in the EcoPoint fuel card programme.

As a result, 25,858 trees will be planted by The Yorkshire Dales Millennium Trust on behalf of The Fuelcard Company and its customers during 2017.

Over the next 100 years, these trees will offset approximately 9,945 tonnes of carbon.
